

Have you thought about what is next?

Please join Ocean Lakes Math and Science Academy Boosters as they present .

“Navigating High School and Beyond”

We will be covering when and how to:

- Plan your student’s four years of high school to avoid burnout and undue stress
- Find out which standardized test is best to take and when to take it
- Build an academic resume and why is it important to start it now
- Be sure your next school is the right school
- Decide which scholarships are most beneficial
- Navigate the financial aid process

When: Tuesday, February 26, 2019

Where: Keagan’s Town Center
244 Market Street
Virginia Beach, VA

Registration begins at 6 pm, program begins at 6:30 pm

Cost: Free for MSABC Member and guest (MSABC Membership forms will be available)

\$10.00/person for non-members

Space is limited
